Dear Mr. Weisberg,

I am writing to inquire how I may obtain a copy of your book: Oswald in New Orleans: Case for Conspiracy with the C.I.A. I've had little success in obtaining this book in my area. The local bookstore, from which I do a great deal of business, has told me that it's either out of print or just not presently available.

I've been a serious student of the Kennedy assassination/conspiracy/cover-up for close to 10 years, reading anything I can get my hands on. I'm not easily swayed by some of these really far-fetched theories on this tragedy, but I know when I study your books - I just finished: "Never Again!" - my eyes and mind are being constantly re-opened. When in doubt about a particular area of the assassination, or when confusion sets in, I'm always re-guided ~~back~~ to your wonderful books.

You are a rare breed in our society today and a boon to everyone who needs to know and honestly seek the "truth" of what happened on November 22, 1963.

May the Good Lord continually bless you in your endeavors (I look forward to your next book) and strengthen you.

Sincerely yours,

Elwyn F. Coates
